

Emeril's

COASTAL

I grew up near the ocean

in Fall River, Massachusetts, where my dad and I would go out fishing on my uncle's small boat. We brought home whatever we caught, and I would help my mom cook it. This was where my love of the sea first started. When I found my way to the city of New Orleans, I searched, as both a chef and a foodie, for the freshest and best ingredients. I was immediately awed by the abundance of local seafood: fresh-and-saltwater fish, blue crabs, plump oysters, and succulent crawfish. I started cooking everything I could get my hands on. After immersing myself in the local culture, people, and ingredients, I was left with a profound belief in cooking with local ingredients.

So here we are right next to the Gulf of Mexico, a body rich in seafood. Her bounty is what we strive to highlight as we take you on a journey through her waters. Here at Coastal, we believe that when you're more connected to the ingredients, the food speaks to you more deeply. We are excited to showcase the culinary treasures found right here in Miramar Beach's backyard, as well as some favorites from other coasts. Our purveyors care for their ingredients, and we continue that same love and attention as we prepare mouthwatering dishes for you. Our team is honored to have you with us; so sit down, relax, and enjoy. Welcome to Emeril's Coastal.
