

Sample Wine List Introduction

This Wine List is the accumulation of 30 years. As a result, it's a wine enthusiasts candy land. Take a look and you will find a Brdeauxs from the 80s and 90s, a verticals of Bryant Family, Dalla Valle, Dunn, and Harlan, and '88 Luciano Sandrone 'Cannubi Boschis'. This scratches the surface of what's on offer. Dive in and have fun. It has always been Chef Emeril's philosphy that wine is an essential part of the table. This list reflects that approach and offers wines from many vintages and is global in scope.

A few practical notes- the List is arranged as a classic progression. Champagne and Sparkling Wines to start, then White Wines, followed by Still And Sparkling Rosés, Red Wines for the main event, Dessert Wines to finish, and our By The Glass selections on the last page. In the front of the menu we have a "Lou's Picks". This is curated by Louis Hamilton, our in-house Sommelier section. We reprint the list and update the online version every month.

This serves as a sample list only. All wines are subject to changes in price, vintage, and availability.
